2019 Consulting Grants Awarded

CCT awarded consulting grants to nine Boston-area nonprofits. Project teams are now underway, tackling their clients' respective strategic challenges.

Boston Harbor Now (BHN), Boston, works to re-establish Boston as one of the world's truly great coastal cities and to maximize the benefits of Boston Harbor for everyone.
Project Type: Business Strategy/Opportunity Assessment
bostonharbornow.org

Doc Wayne Youth Services, Boston, is an award-winning nonprofit that offers outpatient therapy to at-risk youth, reimagined through the lens of sports.
Project Type: Business Strategy/Growth Model
docwayne.org

Mill City Grows (MCG), Lowell, is working for food justice, environmental sustainability and healthy food empowerment in Lowell through increased access to land, locally grown food and education.
Project Type: Strategy/Product Offering Definition
millcitygrows.org

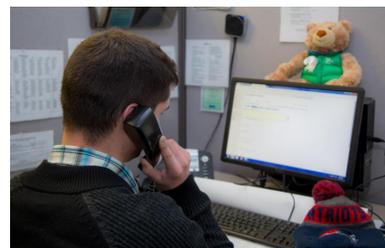

North Shore Community College (NSCC), Danvers, inspires students to achieve their goals through accessible, affordable, and rigorous educational opportunities that are aligned with our region's workforce needs.
Project Type: Process Improvement/Marketing
northshore.edu

Plummer Youth Promise, Salem, works with young people in, or at risk of entering the foster care or juvenile justice system.
Project Type: Strategic Planning
plummeryouthpromise.org

Samaritans, Boston, is the largest provider of suicide prevention services in Massachusetts, operating a 24-hour phone and text Helpline, providing Community Education and Outreach programs for youth, adults, and elders, and offering Grief Support services such as

confidential support groups.
Project Type: Strategy/Opportunity Assessment
samaritanshope.org

Wade Institute for Science Education (WISE, formerly Museum Institute for Teaching Science (MITS)), Quincy, improves the quality of science and STEM education by providing professional development for K-12 teachers and informal educators through their network of over 100 museums, aquaria, nature centers, technology centers and other science education organizations, and a team of expert professional development specialists.

Project Type: Business Strategy/Growth Model

William James INTERFACE Referral Service, Newton, fills an important gap in mental health care for 55 Massachusetts subscribing communities as well as 3 state initiatives, by breaking down the silos between mental health care agencies, providers and systems that can hinder access to care for children, families and adults.
Project Type: Strategy/Growth Assessment
interface.williamjames.edu

WorldTeach, Cambridge, promotes responsible global citizenship and meets local educational needs around the world by providing college graduates as teachers for year-long assignments.
Project Type: Marketing/Strategy
